

# Annabelle™

Annabelle is a colorful giraffe whose optimism is as bright as her spots – and she's the star of the *Annabelle's Best Ever* series by author and illustrator, Rhonda Atkins Leonard.

No matter the situation, Annabelle always looks for the silver lining. She wants to make every day the best ever, and she encourages her eclectic group of friends to do the same – Mingo Rose the Elephant, Leonard the Lion, Rico the Cheetah, Glory the Zebra and Gazzie the Gazelle.

Annabelle and friends are preparing for a lifetime of adventures and teach lessons along the way to their young fans – to love their friends, for instance, or that it is normal to be scared.

Join Annabelle and her friends as they embrace the message of always striving to be your best!
