Dear Rita,

I am writing on behalf of Spartanburg Academic Movement to express our enthusiastic support for the CoGlo Amigos Annabelle Project. We are impressed by the innovative approach and the potential impact that this project continues holds for our community and its educational landscape.

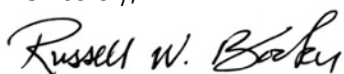

Spartanburg Academic Movement is committed to promoting educational excellence and improving outcomes for students in Spartanburg. We believe that collaborations and initiatives that align with our mission are crucial to achieving lasting change. Your CoGlo Amigos Annabelle Project, which aims to support early childhood literacy and social emotional learning both in the classroom and at home, resonates strongly with our values and objectives. Having had the opportunity to view the Annabelle books last spring, it was a privilege to introduce the pilot in Spartanburg.

This summer, it was wonderful to hear the results of the pilot with encouraging results and strong support from teachers and parents. Projects such as the CoGlo Amigos Annabelle Project certainly align with our vision to increase school readiness and other measures of academic success in Spartanburg County and will be a tremendous asset to the early childhood landscape statewide.

In conclusion, we wholeheartedly support the CoGlo Amigos Annabelle Project. We believe that this project has the potential to make a meaningful and lasting impact for young children in our community and across the state, and we are excited to see it come to fruition. Please do not hesitate to reach out to us if there is anything we can do to assist you in achieving your goals. We look forward to the opportunity to collaborate and create positive change together.

Thank you for your dedication to education and for considering our letter of support.

Sincerely,

Russell W. Booker, Ph.D.
